Findhelp ECM Provider Request Form

Use this form to request account set-up and/or removal of Enhanced Care Management (ECM) users from findhelp.

Organization name:_____

Submitter name:_____ Email:_____

ECM user account set-up

We encourage all ECM providers to use findhelp to streamline the referral and closed-loop process by using the findhelp platform. Provide a list of names and emails of ECM users below.

ECM user account removal

It is critical that ECM providers provide the names and emails of staff who have a findhelp account with the organization but are no longer with the company. Users will be removed and will no longer have access to the organization's member information and statuses.
