¹ Preventive care services are covered for children and adults based on guidelines from the U.S. Preventive Services Task Force Grade A and B recommendations; the Advisory Committee on Immunization Practices (ACIP) that have been adopted by the Centers for Disease Control and Prevention (CDC); and the guidelines for infants, children, adolescents, and women's preventive health care as supported by the Health Resources and Services Administration (HRSA).

²Listed cost share is for services provided through the Select Telehealth Services Provider; for all other providers, telehealth cost share mirrors in-person cost share based on type of service provided.

³Rehabilitation therapy includes physical, speech, occupational, cardiac and pulmonary rehabilitation therapy.

⁴Chiropractic and/or Acupuncture rider coverage is included in all SmartCare HMO plans and is available as an optional benefit in all other HMO and EOA plans.
