Diversity, Equity, and Inclusion (DEI) Training Program	<p>Sharon Rushing (Senior Health Equity Specialist) reviewed Health Net's DEI trainings for providers and staff as required by DHCS. Committee provided feedback on the 4 trainings - Advancing Health Equity: Understanding Drivers and Increasing Accountability, Language Assistance Program/Services and Health Literacy, Cross-Cultural Communication and Competent Care for Diverse Populations, and Transgender, Gender Diverse Inclusive and Affirming Care. Committee members shared there is a need to educate providers on CalAIM and CalAIM services .</p> <p>When committee was asked what health-related social needs should be addressed, they mentioned an FQHC is no longer available which leaves a gap for Members. They also shared that most providers are not located regionally and Members will have to travel far to access services.</p>	N/A	N/A

<p>SB 1019 / APL 24-XXX: Non-Specialty Mental Health Services: Member Outreach, Education, and Experience Requirements</p>	<p>Sydney Turner (Director, Public Policy) reviewed Senate Bill 1019, a new requirement that addresses the historic underutilization of Non-Specialty Mental Health Services (NSMHS) by ensuring Members and PCPs are aware of all covered NSMHS. Health Net requested the committee’s feedback on the development and implementation of an annual outreach and education plan for Members and PCPs about covered NSMHS.</p> <ul style="list-style-type: none"> • Committee recommended adding positive feedback on messaging like “it’s okay to not be okay” to reduce shame. • Committee pointed out that bland questionnaires don’t consider medication impacts (if person is on medication). • Preference for in-person outreach and events to engage the community effectively. 	<p>N/A</p>	<p>N/A</p>
<p>Population Needs Assessment & Local SMART goal</p>	<p>Sydney Turner shared information on the new Population Needs Assessment, which is a collaboration with other plans and local health department to identify the priority needs of the community. Vernell Shaw III (Director, Medical Regional Lead) shared each county’s SMART goal with the committee and requested feedback –</p> <ul style="list-style-type: none"> • Amador: By September 1, 2025, MCPs will collaborate with Amador County Public Health (ACPH) in targeting and outreaching to all members 0-21 years of age to engage and promote the completion of recommended immunizations, well-child exams and indicated treatment, oral health assessments, and fluoride treatment for 50% of its Amador County enrolled population. • Calaveras: From January 2024-December 2025, Calaveras County Public Health and the Managed Care Plans shall leverage the County’s home-visiting program and other OB programs to improve post-partum visits between 7 and 84 days after delivery by 5% in all pregnant persons, specifically targeting Black and Native American persons. • Inyo: LHD and MCPs considering one of the two following goal-categories:(1) Improving maternal and adolescent 	<p>N/A</p>	<p>N/A</p>
