Population Needs Assessment & Local SMART goal	<p>Sydney Turner shared information on the new Population Needs Assessment, which is a collaboration with other plans and local health department to identify the priority needs of the community. Vernell Shaw III (Director, Medi-Cal Regional Lead) shared Sacramento's SMART goal with the committee and requested feedback – From January 2024-December 2024, this goal will focus on providing the homeless population in Sacramento with resources for housing. By stabilizing housing, the Local Health Departments (LHD) and MCPs will also seek to improve behavioral health follow up for adults and screenings for pediatrics by 5%.</p> <ul style="list-style-type: none"> • Committee shared that intermediate housing has poor conditions, 	N/A	N/A

	<p>emphasizing that unsanitary environments hinder mental health.</p> <ul style="list-style-type: none"> • There is a need for mobile clinics to provide accessible services or transportation to appointments. • There is also a need for a centralized system to improve access to appointments and transportation. • Committee members shared challenges such as security deposits, credit checks, and issues with Uber transportation. • Committee emphasized that labeling individuals by diagnosis should not be a barrier to access. • Committee suggested broadening the transportation services to cover more than just appointments. • Committee proposed allowing contracted providers to file grievances on behalf of members. 		
Community Sharing/Open Forum	<p>Committee members were invited to share items for Community Sharing/Open Forum. Members requested support.</p> <p>An individual from the community expressed dissatisfaction in accessing the in-person meeting. Meeting was adjourned at 1:40pm.</p>	Will send out requested information to Members.	Program Manager of Community Advisory Committees
