

# Rest Easy – You’ve Got Healthcare Coverage from Coast to Coast

## THE CIGNA HEALTHCARE PPO NETWORK PROTECTS YOU NATIONWIDE

As a Health Net PPO member, you have access to the **Cigna Healthcare Network for healthcare services, when you live or travel outside of California.** The Cigna Healthcare PPO Network offers you a national network of doctors and hospitals throughout the U.S.

This means that no matter where you live or travel within the United States you’ll **always have access to the care you need!**<sup>1</sup> It’s all part of how Health Net provides you with quality care options.

### How to get started

If you live outside California or are traveling, here’s how to find in-network providers, pharmacies, and facilities across the nation:

**Providers and facilities** – Call **Health Net Member Services** at the number on your Member ID card. You can also log in to your [healthnet.com](https://healthnet.com) member account, click *Find a Provider* and then Search *National PPO Network*. A new window will open where you can access the custom Health Net | Cigna Provider Directory.

**Note:** To access an up-to-date list of Cigna Healthcare PPO Network providers and facilities, you **must use** the link on [healthnet.com](https://healthnet.com).

**Pharmacies** – Visit [healthnet.com/mypharmacy](https://healthnet.com/mypharmacy) and click *Find a pharmacy*<sup>2</sup> at the bottom of the page to locate an in-network pharmacy near your home or work. Larger stores include Costco, CVS, Rite-Aid, and Walgreens.

### How to access care

Sometimes, Cigna PPO Network providers may not be familiar with Health Net PPO Plans. **If they do not** recognize your insurance card, have them call Health Net Member Services at **800-861-7214**.

Explain to your provider you are a **qualified Health Net member looking to access services through the Cigna PPO Network.** You can then show them the Cigna logo on your member ID card.

**Note:** If you need behavioral health benefits please call **800-797-7016 (TTY:711)**.

(continued)

To verify your benefits or find out if you qualify, **providers should not call Cigna Healthcare.** Cigna does not have benefits information. **Providers must call Health Net Member Services at 800-861-7214.**

<sup>1</sup>Access to U.S. territories only applies when travelling. Cigna does not insure members living in Hawaii, Alaska and U.S. territories.

<sup>2</sup>Only impacts employer group business.

## When to use the Network

You may be asking when you should use the Cigna Healthcare PPO Network and if or when you should use the Health Net PPO Network? The answer is simple:
