She will have an additional meeting with WellSpace to discuss provider support that may include part time providers. Christian shared he appreciates the advocacy to get more providers to the County for medical services. The County would like to see dental providers as well. Davina shared the County will be doing a soft launch for the California Home Visiting Program (Parents as Teachers) for pregnant moms through age 5. Desiree shared that if Davina needs support with the Title 5 assessment the MCPs are available for support. She shared Anthem and Health Net assisted Tuolumne County with their MCAH assessment. : Marsha shared the screening level for lead has dropped. MCPs may be seeing more children in need of support for basic levels of lead exposure. <b>Quarter 2 (April - June) -</b> Desiree mentioned the SMART Goal that's</p>	<p><b>Quarter 1 (January - March) -</b> No new updates from the MCPs or the County. <b>Quarter 2 (April - June) -</b> Chantal tackled the issues concerning referrals to CCS. She explained that when MCPs receive requests related to CCS eligible conditions—which are carved out of the MCP and redirected to Amador CCS—she has heard from CCS that these requests need to be sent independently. Kelly explained that regarding referrals for ECM and Community Supports, KP's 'no wrong door' approach will accept any of the health plan forms. <b>Quarter 3 (July - September) -</b> No new updates from the MCPs or the County. <b>Quarter 4 (October -</b></p>	<p><b>Quarter 1 (January - March) -</b> No new updates from the MCPs or the County. <b>Quarter 2 (April - June) -</b> The county has made significant strides in the past year by transitioning from paper files to an electronic filing and faxing system, which has significantly alleviated some of the manual workload. <b>Quarter 3 (July - September) -</b> No new updates from the MCPs or the County. <b>Quarter 4 (October - December) -</b> No new updates from the MCPs or the County.</p>	<p><b>Quarter 1 (January - March) -</b> Chris shared that Denise is getting emails from Anthem requesting information about CCS members they could be getting from the CMS Net program. Desiree will research this issue and reach out to Denise and Anthem's CCS Manager. <b>Quarter 2 (April - June) -</b> For CCS, Chris updated that the county is still awaiting new training requirements from the state. There had been grievances from the counties regarding the lack of onboarding or a contact number to consult a nurse about clients. According to Chris, the state resolved this by mandating a 60-unit training for counties to be certified to implement CCS, but this is all the information he has thus far. Chris also shared that the county wants to make sure</p>	<p><b>Quarter 1 (January - March) -</b> Chris confirmed on behalf of the County to have Anthem Kaiser and Health Net on one MOU. Desiree shared she saw minimal changes so far on the MOU. Lu will have Health Net leadership review MOU and send a clean copy and edits to the County for County Counsel review and signature in approx. 1-2 weeks. <b>Quarter 2 (April - June) -</b> As a team, we took the time to review the current status of the LHD MOU. Health Net and Kaiser provided their approval for the current language in the MOU, and upon Anthem leadership approval, Desiree will provide the clean copy to initiate the signature process. We collectively agreed to include language that establishes the effective date as the date of signing, with each MCP signatory's date being recorded during the electronic signing process. Also, the County will be participating in a Regional Youth Tobacco Program event on May 4, 2024 with 4 additional counties. Lu shared Health Net is available for assistance and support and will need 30-45 days advance notice to process requests. <b>Quarter 2 (April - June) -</b> Lu shared the Health Net Medi-Cal Findhelp brochure that details how to gain access to resources in a given county using Findhelp. Kelly provided information about Kaiser's comprehensive care certification program, which aims to holistically improve health outcomes by acknowledging social wellbeing and the complex needs of individuals as part of healthcare delivery. Kelly shared an updated provider list tailored specifically for Amador County, featuring ECM services, CS and benefits for Kaiser Medi-Cal members, as well as transportation</p>

Willow confirmed the County sends TOC forms via email and Screening Tools via fax.</p> <p><b>Quarter 2 (April - June) -</b> Desiree shared a reminder that counties need to have Medi-Cal enrollees' current contact information and need to be aware of any changes that could affect enrollment/eligibility. Lu presented the CalAIM resources and training tools handout. This informative brochure imparts knowledge on how to tap into resources within CalAIM ECM and CS, inclusive of elements such as housing. The county is focusing on getting the crisis mobile implementation plan approved.</p> <p><b>Quarter 3 (July - September) -</b> Stacey shared a CareCourt requirement is MCPs provide transportation. She is not sure ModivCare will meet the need because of the advance notice requirements. People get released sometimes without advanced notice. How will this requirement be met for implementation.</p>	<p><b>Quarter 1 (January - March) -</b> No new updates from the MCPs or the County.</p> <p><b>Quarter 2 (April - June) -</b> No new updates from the MCPs or the County.</p> <p><b>Quarter 3 (July - September) -</b> No new updates from the MCPs or the County.</p> <p><b>Quarter 4 (October - December) -</b> Myriah sent member declining being referred to the County for services.</p>	<p><b>Quarter 1 (January - March) -</b> No new updates from the MCPs or the County.</p> <p><b>Quarter 2 (April - June) -</b> Stacey shared concern with obtaining substantial data regarding inmates applying to Medi-Cal prior to their release. This would offer an estimate of the number of individuals they could potentially serve, and this is an ongoing process with the Calaveras County Medi-Cal Eligibility contact.</p> <p><b>Quarter 3 (July - September) -</b> No new updates from the MCPs or the County.</p> <p><b>Quarter 4 (October - December) -</b> No new updates from the MCPs or the County.</p>	<p><b>Quarter 1 (January - March) -</b> Stacey shared the MCPs have the County edits. The MCPs will review and return to the County. Stacey confirmed the County wants to work on the Policies and Procedure with the MCPs. Stacey shared the MOU execution goes through Human Resources, IT, County Counsel, and the Board of Supervisors. She confirmed it takes 4-6 weeks to get the MOU on the Board's agenda. Stacey advised that the County and MCPs have to report to DHCS the MOU execution status.</p> <p>David shared they are connected with MedEx and will be live soon. They are getting reimbursed through the QHIO grant (qualified Health Information Organization). David did confirm the Health and Human Services organization signed the California Data Sharing agreement. It includes Calaveras County BH as well.</p>	<p><b>Quarter 1 (January - March) -</b> David shared the County has a vehicle for their Crisis Care Mobile Unit (CCMU). They are working to hire staff for the program. DHCS declined the County to get their CCMU program active because they do not have staff to operate 24 hours a day.</p> <p><b>Quarter 2 (April - June) -</b> Lu shared the Health Net Medi-Cal Findhelp brochure that details how to gain access to resources in a given county using Findhelp. Lu went through the Health Net Medi-Cal Postpartum Doula Services Recommendation form, which can be used to request services.</p> <p>Stacey provided the update that the county had plans of getting involved with MAT at the jail, however, they elected to go with Wellpath - the current medical service provider at the jail. The county is now transitioning away from that area but maintaining its focus on the Justice Involved and exploring this via ECM.</p> <p><b>Quarter 3 (July - September) -</b> The ModivCare App makes it easy to</p>
