

Improve Members' Health and Social Outcomes With Enhanced Care Management

USE THIS QUICK REFERENCE GUIDE TO FIND OUT WHO'S ELIGIBLE

The Department of Health Care Services created Enhanced Care Management (ECM), which is a California Advancing and Innovating Medi-Cal (CalAIM) benefit. The goal of ECM is to improve the member's health and social outcomes.

ECM provides seven core services to enrolled members:

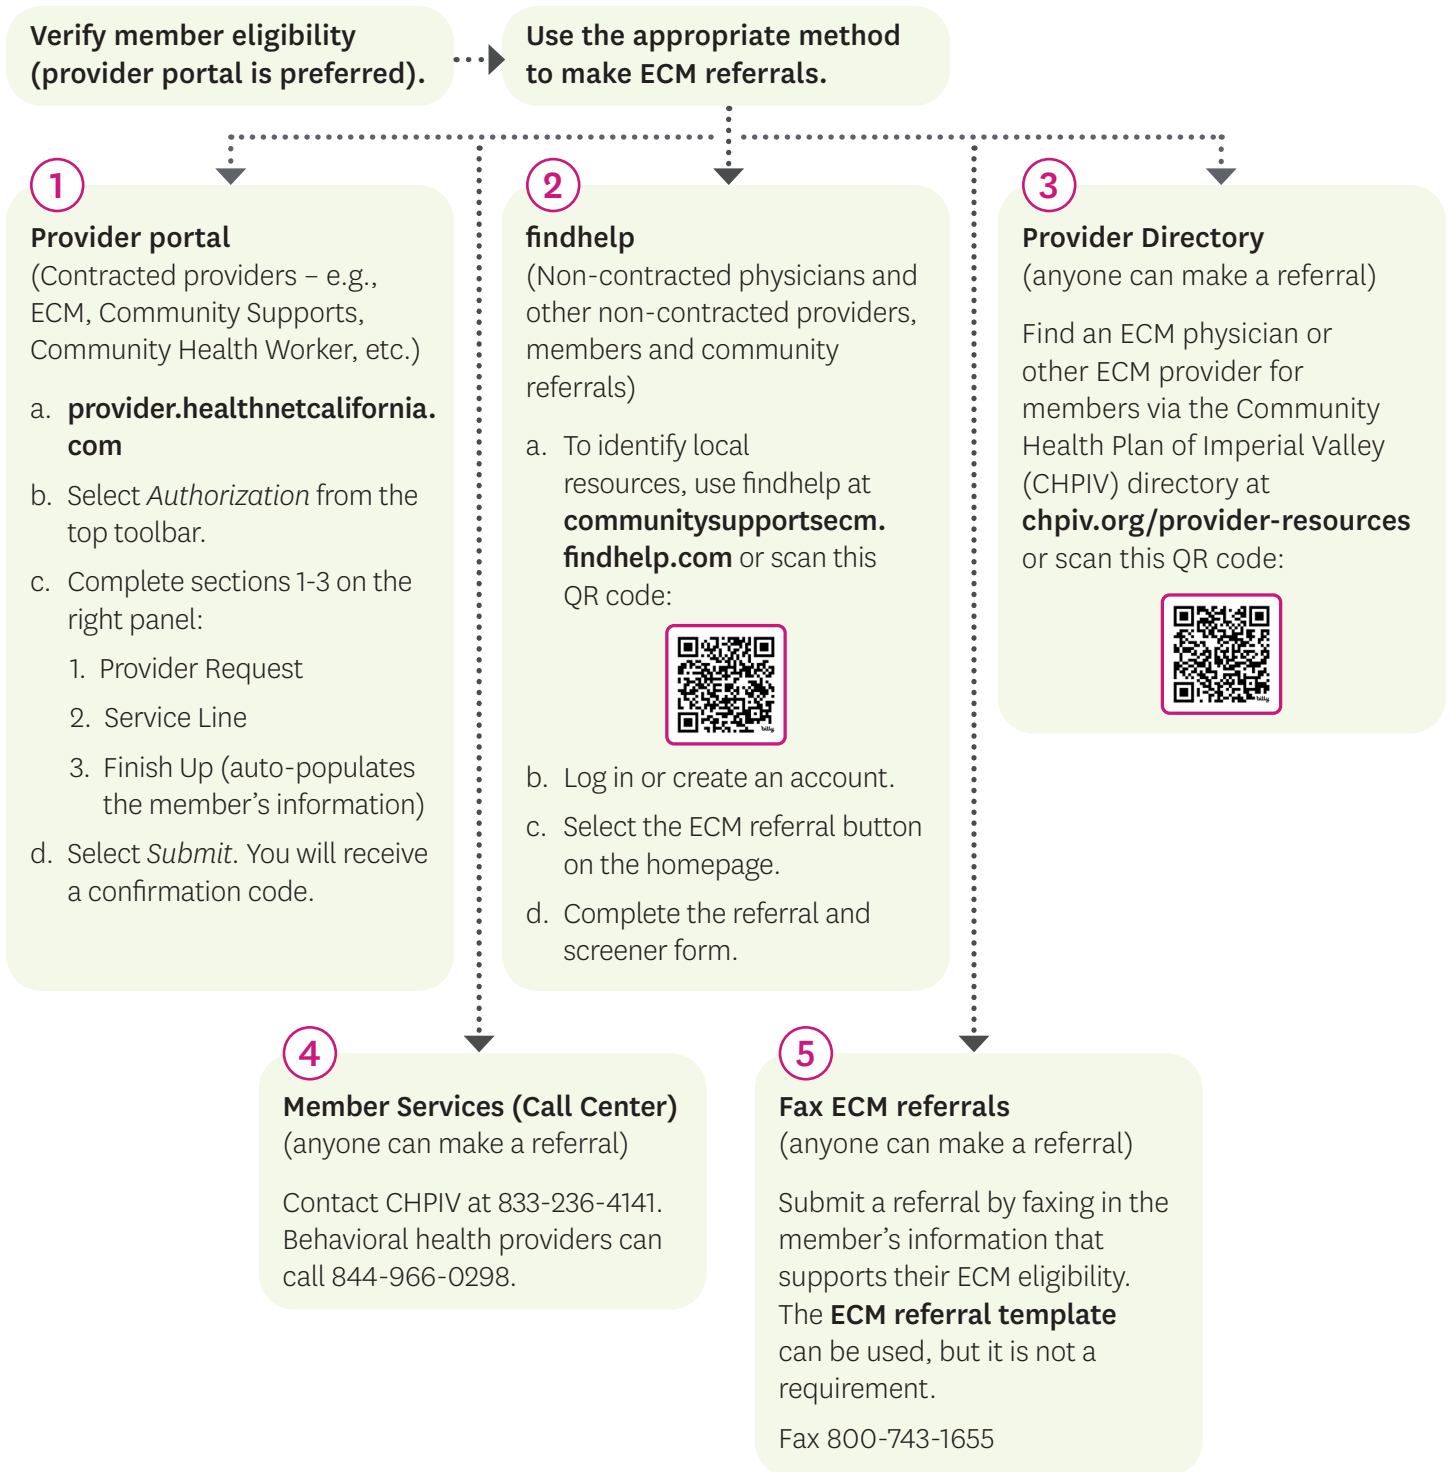

- ✓ Outreach and engagement
- ✓ Enhanced care coordination
- ✓ Member and family support
- ✓ Comprehensive assessment and care management plan
- ✓ Health promotion
- ✓ Coordination of and referral to community and social support services
- ✓ Comprehensive transitional care

To be eligible for ECM, members must qualify for one or more of the identified ECM populations of focus and not be enrolled in duplicative services.
