## **Earn 2025 incentives for improving member outcomes with doula services**

Dear <Title>. <Last Name> or Administrator:

We want to recognize and reward doula providers who show effective and timely outreach to eligible members. See below on how improving member outcomes through care coordination can help you earn incentives in 2025.

### **Incentive payment criteria**

Payments earned from the doula provider incentive are not tied to:

- Any direct Provider Participation Agreement with Health Net\* and Community Health Plan of Imperial Valley, or
- Your agreement as a subcontractor with a participating physician group (PPG) or medical group.

The doula provider incentive aligns with state requirements around the doula benefit and program.

### **Are you eligible?**

To be eligible for the doula provider incentive, a doula provider must:

- Be in good standing with the Plan.
- Contract directly with the Plan as a doula participating provider.
- Openly accept and have the capacity to serve new Plan Medi-Cal enrollees eligible for doula services.

### **Incentive timeline**

- Incentives are for members serviced from **January 1, 2025, through December 31, 2025**, despite when a provider contracts with the Plan.
