

UC MEMBERS HAVE EASY ACCESS TO TANG CENTER DOCTORS – THEY'RE ALWAYS NEARBY

There are six Tang Center physicians who specialize in Family Practice or Internal Medicine and are affiliated with the Alta Bates Medical Group (#215). These physicians, along with four nurse practitioners, make up a team of clinicians who are available for UC active employee and their dependents age 17 and older to select as a Primary Care Physician.

Note: These select physicians are not included in the Health Net directory.
