

Yipee!

Affordable, quality health care for the children in your family

Low-cost health, dental and vision coverage

Every child deserves access to health care.

Healthy Families is a low-cost health coverage program. California families who qualify can get health care for their children. And at a price they can afford.

The total premium is only **\$4 to \$24** per month per child. It is not more than **\$72** per month for all eligible children in a family.

Benefits include:

- Doctor visits, including checkups and exams
- 24-hour nurse advice line
- Family planning/well-baby care
- Shots
- Prescriptions
- Surgery and hospital stays
- Lab work and X-rays
- Chiropractic care
- \$5 or \$10 copayment for office visits
