Section 1 – Introduction

This directory provides a list of Health Net's Medicare Advantage Mental Health and Substance Abuse network providers. Mental health and substance abuse benefits are administered by MHN Services. Please see the important information below regarding authorization requirements for these services.

Important Information Please Read!

If you are a member of one of the following medical groups, this provider directory, and the information contained inside of it, will not apply to you:

- PAMF - Camino Site
- Palo Alto Medical Foundation
- Sutter Independent Physicians

If you are not a member of one of the medical groups listed above, no referral is required from your primary care physician; however, authorization from MHN may be required prior to receiving services.

MHN has licensed clinicians available 24 hours a day, seven days a week, to address all requests for immediate admission to a facility if the patient poses a danger to self or others or is gravely disabled.

Please Note: The providers in the following county are only available to Health Net Seniority Plus (Employer HMO) Medicare Advantage members:

Contra Costa County

San Joaquin County

San Mateo County

Solano County

Health Net Violet PPO members

The level of benefits you receive is based on the provider network you choose. In-network coverage will apply when using a provider from the MHN network. Prior authorization is not required for out-of-network services but you should call to verify whether the services are covered and what your out-of-pocket costs might be.
